## 7th Annual Elmhurst Trauma Symposium

### PEARLS AND PITFALLS OF TRAUMA MANAGEMENT:

#### *INJURY in the ELDERLY*

OCTOBER 25, 2024

A1-22 Auditorium

NYC Health + Hospitals/Elmhurst  
Main Building (Broadway entrance)

79-01 Broadway

Elmhurst, NY 11373

Department of Surgery  
Division of Trauma

## FACULTY DISCLOSURE:

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

## COURSE DESCRIPTION

This program is designed to provide a targeted overview of the initial triage and management of the injured patient for physicians and other allied health professionals involved in the care of the trauma patient.

## EDUCATIONAL OBJECTIVES

At the conclusion of this activity, participants will be able to:

- **Review** management of the injured patient
- **Describe** best practices in the management of traumatic brain injury in the elderly patient
- **Describe** the strategies for the optimization of pain management in the elderly trauma patient
- **Identify** the signs of elder abuse
- **Define** strategies for the rapid reversal of anticoagulant medication

## TARGET AUDIENCE

This conference is designed for surgeons, emergency medicine physicians, intensivists, hospitalists, nurse practitioners, physician assistants, nurses, house staff, paramedics, and EMTs.
