## COURSE DESCRIPTION

Challenges in Internal Medicine is a 3-day CME program sponsored by the Department of Medicine of the Icahn School of Medicine at Mount Sinai. The goal of this course is to offer providers of primary care services the newest pharmacologic and technologic breakthroughs, updates in clinical therapeutic guidelines, and highlights of recent advances in the practice of Internal Medicine. The intended audience for this course is Internists, Family Practitioners, Nurse Practitioners, Physician Assistants and their trainees.

Primary care is growing increasingly more difficult due to the complexity of the patient's medical condition coupled with advances in clinical management. This course is geared to help providers practice evidence-based medicine from today's scientific literature. The goal from this format is to help the clinician to better manage their patients using the latest evidence-based practices.

All of the discussants incorporate recent medical literature in their talks. Importantly, many of the lectures chosen are from the current year's Divisional and Departmental Grand Rounds.

## Live Virtual Conference

### ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Icahn School of Medicine at Mount Sinai designates this internet live course for a maximum of **16.0 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.0 MOC points and Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program.

It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

In order to obtain MOC credit, participants will be asked to complete a post-activity assessment online. As part of the assessment, learners will submit a reflective statement on intention to change practice based on the knowledge gained from participation. Learners will also be required to provide ABIM number and month/date of birth (mm/dd).

This information will be transmitted by the accredited provider to the ACCME Program and Activity Reporting System (PARS) by December 1, 2021.

### VERIFICATION OF ATTENDANCE

All professionals will be able to download, verification of attendance.

### SPECIAL NEEDS

Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require special accommodations contact The Page and William Black Post-Graduate School at 212-731-7950.

### FACULTY DISCLOSURE

It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

### CANCELLATION POLICY
