21st Annual Symposium

Pediatric Endocrinology and Diabetes

Monday, November 14, 2022 • 8:30am to 12:45pm EST

Live Internet Activity

PROGRAM DESCRIPTION

Recent years have seen advancement in the care of youth with diabetes, thyroid disorders and growth disorders. With this annual symposium, the Mount Sinai Division of Pediatric Endocrinology and Diabetes seeks to review the progress in the care of children with diabetes, thyroid disorders, and growth disorders. Participants will learn about pathophysiology, treatment goals and methods for care of children with diabetes, thyroid diseases, and growth disorders.

TARGET AUDIENCE

Pediatricians, family practitioners, scientists, nurse practitioners, physician assistants, diabetes educators, nutritionists, dieticians, social workers, residents, students and others involved in the care of young people with diabetes and growth disorders.

GOALS AND OBJECTIVES

At the conclusion of the conference, the participants will be able to:

- Review recent findings on neonatal thyroid disorders
- Identify the underlying etiologies of growth disorders and understand new concepts in the diagnosis and management of short stature
- Review recent innovations in the care of children with diabetes and the key findings from the US Type 1 Diabetes COVID19 Surveillance Project

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of attendance will be provided to all professionals.

SPECIAL NEEDS

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact The Page and William Black Post-Graduate School at cme@mssm.edu.

FACULTY DISCLOSURE

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
