SCIENCE IN THE CITY

Program Goal

To provide a comprehensive update on the current management and future research directions in liver disease for Gastroenterologists, Hepatologists, Internists, and other Allied Health Professionals involved in the care of patients with liver disease.

Program Objectives

At the conclusion of this activity, participants should be able to:

- Describe the multidisciplinary approach in the management of HCV and progress toward cure of HBV and HDV
- Discuss new guidelines on the treatment of NASH and new therapeutics in development
- Discuss advances in the management for cirrhosis, portal hypertension, liver transplant and hepatocellular carcinoma/cholangiocarcinoma

Target Audience

This course is specifically designed for Gastroenterologists, Hepatologists, and Internists, Family Practitioners, Nurse Practitioners, PAs, Nurses, House Staff, and Medical Students.

Accreditation Statement

The Icahn School of Medicine at Mount Sinai (ISMMS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 6.5 AMA PRA Category 1 Credit(s) [™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
