

BRIAN G. FEAGAN, M.D., FRCPC
PROFESSOR OF MEDICINE
DEPARTMENTS OF MEDICINE (Division of Gastroenterology), EPIDEMIOLOGY
AND BIostatISTICS, WESTERN UNIVERSITY
SENIOR SCIENTIFIC DIRECTOR, ALIMENTIV INC (formerly Robarts Clinical Trials
Inc)
LONDON, ONTARIO, CANADA

Brian G. Feagan completed a medical degree at the University of Western Ontario (Western University) in London, Ontario, Canada. His postdoctoral training included residency in the Department of Medicine and a Fellowship in Gastroenterology at the University of Western Ontario.

A Fellow of the Royal College of Physicians and Surgeons of Canada, Dr. Feagan holds membership in the Canadian and American Association of Gastroenterology, the American College of Gastroenterology, the College of Physicians and Surgeons of Ontario, Crohn's and Colitis Canada (CCC) and the European Crohn's & Colitis Organization (ECCO). He is the recipient of the 2013 Senior Achievement Award from the Crohn's & Colitis Foundation of America (CCFA) and Dean's Award of Excellence in 2013 from the University of Western Ontario. He has authored over 400 original scientific articles and has given more than 1000 invited presentations at national and international scientific meetings.

In 1997, Dr. Feagan became Director of Robarts Clinical Trials. His research efforts focus on the design and implementation of randomized controlled trials of therapy for inflammatory bowel disease. He has been the principal investigator on numerous multi-center trials in IBD and is actively involved in the development of new outcome measures for evaluating these chronic diseases.
