Endoscopic Minimally Invasive ICH Evacuation

COURSE DESCRIPTION

Endoscopic minimally invasive ICH evacuation is a novel procedure that requires nuanced training. This is a training course to teach all members of the care team at other institutions how to establish a minimally invasive evacuation program and how to perform the procedure.

EDUCATIONAL OBJECTIVES

- Describe evidence supporting minimally invasive intracerebral hemorrhage evacuation and ongoing efforts to further evaluate this procedure.
- Demonstrate competence in performing the endoscopic minimally invasive evacuation procedure to the instructor during the simulation portion of the course.
- Identify current barriers and provide an action plan to implementing a minimally invasive ICH evacuation program at your home institution.
- Describe the steps of the procedure with a focus on complication avoidance and techniques that have been demonstrated to improve patient outcome.

TARGET AUDIENCE

Physicians, midlevel providers, nurses, and technicians who participate in the treatment of patients with intracerebral hemorrhage or performing minimally invasive intracerebral hemorrhage evacuation.

ACCREDITATION STATEMENT

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live educational activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE

Verification of attendance will be provided to all professionals.

SPECIAL NEEDS

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

COURSE AGENDA

7:30 - 8 am **Breakfast & Registration**

8 - 8:15 am **Course Introduction**
J Mocco, MD, MS

8:15 - 9 am **The Procedure**
Christopher P. Kellner, MD

Didactics

9 - 9:20 am **Background on the Disease**
David J. Fiorella, MD, PhD

9:20 - 9:40 am **Evidence-Based Evacuation**
Justin F. Fraser, MD, FAANS, FAHA

9:40 - 10 am **Patient Selection and Clinical Trials**
Adam S. Arthur, MD, MPH, FACS

10 - 10:10 am **Economics**
Dimitri Sigounas, MD

10:10 - 10:20 am **Building An ICH Program**
Jamie L. Rumsey, MSN, ACNPC-AG, DNP

10:20 - 10:40 am **Getting Started**
Chad W. Washington, MD

10:40 - 11 am **Making the Argument**
Paul S. Saphier, MD

Hands On Room B

11 am - 1 pm
