

10th ANNIVERSARY EVENT

ADVANCES IN NEUROLOGY

Diagnosis and Practical Management of
Patients with Nervous System Disorders

Saturday, October 28, 2023

COURSE DIRECTOR

MARK W. GREEN, MD, FAAN

Professor of Neurology, Anesthesiology, and Rehabilitation Medicine

Emeritus Director of Headache and Pain Medicine

Davis S. and Ruth L. Gottesman Center for Headache Treatment and Translational Research

President, World Headache Society

IN-PERSON CME EVENT

Icahn School of Medicine at Mount Sinai

The Leon and Norma Hess Center for Science and Medicine

1470 Madison Avenue, Davis Auditorium

New York, NY

<https://mssm.cloud-cme.com/10AdvNeuro>

PROGRAM DESCRIPTION

The **10th Annual Advances in Neurology** is a full-day live in-person CME event that will provide clinicians with an update on diagnostic processes, cutting-edge technologies, and innovative management strategies in these 9 areas of neurology: headache, Tourette syndrome, epilepsy, behavior problems in dementia, myasthenia gravis, sleep medicine, neuro-oncology, tremor, and autonomic disorders. Through didactic lecture, case presentations, and interactive discussions with expert clinicians, attendees will be better enabled to diagnose and manage patients living with neurologic disorders in 2023 and beyond. Patient simulators will interact with faculty to provide an enhanced learning experience for participants.

EDUCATIONAL OBJECTIVES

After having participated in this CME activity, learners will be able to:

- **Discuss** how hormonal changes in women affect the course of migraine, including during in vitro fertilization (IVF) and pregnancy.
- **Explain** the process of diagnosing autonomic disorders, with a specific focus on orthostatic intolerance, and how autonomic function testing can improve our understanding of neurological illnesses.
- **Discuss** the associations of headaches and psychiatric conditions including depression, bipolar, and various phobias as these may complicate treatment of both.
- **Summarize** a management plan for psychiatric comorbidities in people living with epilepsy, and discuss existing disparities in epilepsy care.
- **Discuss** recent advances in treatment for myasthenia gravis.
- **Describe** when it is appropriate to start anti-psychotics for behavioral problems in dementia (BPSD), and when it is appropriate to refer to a multi-disciplinary center where both non-pharmacological and pharmacological interventions can be implemented.
- **Identify** the symptoms of Tourette syndrome and the latest management strategies.
- **Describe** differential diagnosis and treatment of tremor-predominant movement disorders.
- **Recognize** symptoms of parasomnias and put in place management strategies.
- **Explain** the viability and application of CSF liquid biopsy in neuro-oncology.

WHO SHOULD ATTEND?

This symposium is designed for adult and pediatric neurologists as well as other specialists in related fields (neurosurgery, psychiatry, rehabilitation medicine, internal medicine, geriatrics, pediatrics); residents and fellows; and other healthcare professionals involved in the care of patients with neurologic disorders (nurse practitioners, nurses, and physician assistants).

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance

Verification of attendance will be provided to all professionals.

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If

you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

WELCOME & INTRODUCTION

Mark W. Green, MD, FAAN, Course Director

ADVANCES IN CSF LIQUID BIOPSY

Joshua Friedman, MD

POSTURAL ORTHOSTATIC TACHYCARDIA SYNDROME (POTS) AND THE AUTONOMIC NERVOUS SYSTEM

Bridget Mueller, MD, PhD

PARASOMNIAS: THINGS THAT GO BUMP IN THE NIGHT

Emmanuel During, MD

BREAK

DISTINGUISHING AND TREATING TREMORS

Viktoriya Katsnelson, MD

MYASTHENIA GRAVIS: RECENT ADVANCES IN TREATMENT

Susan Shin, MD

MORNING PANEL DISCUSSION

Moderator: Mark W. Green, MD, FAAN

LUNCH

MIGRAINE AND PREGNANCY

Jasmin Harpe, MD, MPH

RECENT PROGRESS IN TOURETTE SYNDROME DIAGNOSIS AND MANAGEMENT

Joohee Jimenez-Shahed, MD

BREAK

IMPROVING THE QUALITY OF EPILEPSY CARE

Leah Blank, MD, MPH

BEHAVIORAL SYMPTOMS AND PSYCHOLOGICAL MANAGEMENT IN DEMENTIA

Estevana Isaac, MD

HEADACHE AND ITS PSYCHIATRIC COMORBIDITIES: IMPLICATIONS FOR TREATMENT

Mark Green, MD, FAAN

AFTERNOON PANEL DISCUSSION

Moderator: Mark W. Green, MD, FAAN

ADJOURN

Registration Fees

Physicians	\$150
Mount Sinai Neurology Alumni	\$ 75
Allied Health Professionals	\$ 75
Residents/Fellows	\$ 25
MSSH Residents/Fellows	Complimentary*

**Complimentary registration for MSSH Residents and Fellows.
Mount Sinai Health System (MSSH) Residents and Fellows must email cme@mssm.edu with a copy of their hospital ID to receive a Complimentary Online Registration Code. MSSH Residency and Fellowship will be verified.*

Meeting Location

Icahn School of Medicine at Mount Sinai

10th ANNIVERSARY EVENT

ADVANCES IN NEUROLOGY

Diagnosis and Practical Management of
Patients with Nervous System Disorders

FACULTY

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI

COURSE DIRECTOR

MARK W. GREEN, MD, FAAN

President, World Headache Society
Director Emeritus of Headache and Pain Medicine
David S. and Ruth L. Gottesman Center for Headache Treatment and Translational Research
Professor of Neurology, Anesthesiology, and Rehabilitation Medicine
Vice Chair of Neurology for Professional Development and Alumni Relations

Adjunct Professor of Medical Education, CUNY School of Medicine
Adjunct Professor of Medicine, NY College of Podiatric Medicine

COURSE FACULTY

EMMANUEL H. DURING, MD

Clinical Associate Professor of Neurology, and Medicine

JOSHUA FRIEDMAN, MD

Assistant Professor of Neurology, Neurosurgery, and Medicine

ESTEVANA ISAAC, MD

Assistant Professor of Neurology

SUSAN SHIN, MD

Associate Professor of Neurology

BRIDGET R. MUELLER, MD, PHD

Assistant Professor of Neurology

JOOHI JIMENEZ-SHAHAD, MD

Associate Professor of Neurology, and Neurosurgery

JASMIN HARPE, MD, MPH

Assistant Professor of Neurology

LEAH J. BLANK, MD, MPH

Assistant Professor of Neurology, and Population Health Science and Policy

VIKTORIYA KATSNELSON, MD

Assistant Professor of Neurology

Icahn School
of Medicine at
Mount
Sinai
