# PROGRAM DESCRIPTION

This symposium will provide clinicians with a comprehensive review of cutting-edge practices in the diagnosis and management of movement disorders. A broad spectrum of diseases including Parkinson disease, dystonia, tics and Tourette syndrome, tremor, and functional movement disorders will be addressed. Through didactic lecture and video review attendees will learn about current medical and cutting-edge diagnostic and management strategies including chemodenervation and surgical interventions (deep brain stimulation and MRI-guided focused ultrasound). The program will offer learners a compendium of information that will better enable them to practice clinical neurology in 2022 and beyond.

## LEARNING OBJECTIVES

- **Discuss** management options for dystonia including local injections of botulinum toxin and deep brain stimulation (DBS).
- **Discuss** the efficacy of treatments for tics and the risks associated with their use.
- **Devise** an appropriate management strategy for a patient with motor symptoms of Parkinson disease.
- **Describe** an appropriate movement disorder candidate for DBS (deep brain stimulation) or MRI-guided high intensity focused ultrasound.
- **Explain** the current understanding of functional movement disorders and their management.

---

### Who Should Attend?

This CME activity is designed for pediatric and adult neurologists as well as other specialists in related fields (neurosurgery, psychiatry, rehabilitation medicine, internal medicine, pediatrics, geriatrics); residents and fellows; and other healthcare professionals involved in the care of patients with movement disorders (nurse practitioners, nurses, physician assistants, physical and occupational therapists).

### Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Verification of Attendance

Verification of attendance will be provided to all professionals.

### Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at [cme@mssm.edu](mailto:cme@mssm.edu).

### Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

## In-Person CME Event

### HOW TO REGISTER:

Online: <https://mssm.cloud-cme.com/MovementDisorder>

### REGISTRATION FEES

|   |                |
|---|----------------|
| <input type="checkbox"/> Physicians                   | \$ 150         |
| <input type="checkbox"/> Mount Sinai Neurology Alumni | \$ 75          |
| <input type="checkbox"/> Allied Health Professionals  | \$ 75          |
| <input type="checkbox"/> Residents/Fellows            | \$ 25          |
| <input type="checkbox"/> MSHS Residents/Fellows       | Complimentary* |

*\*Complimentary registration for MSHS Residents and Fellows must be done online.*

*Mount Sinai Health System (MSHS) Residents and Fellows must email [cme@mssm.edu](mailto:cme@mssm.edu) with a copy of their hospital ID to receive a Complimentary Online Registration Code. MSHS Residency and Fellowship will be verified.*

**Cancellation Policy:** All refund and cancellation requests must be emailed to the CME office at [cme@mssm.edu](mailto:cme@mssm.edu) by May 8, 2022. Cancellations after this date are not eligible for a refund. An administrative fee of \$50 will be deducted from your refund. No refunds will be issued for registration fees that are equal or less than \$50.

**COVID-19 Safety Policy:** For the safety of all meeting participants and in accordance with institutional and venue requirements, you must be fully vaccinated in order to attend this activity. The venue will require that all participants show proof of vaccination upon entry. Please plan accordingly. Icahn School of Medicine at Mount Sinai will follow institutional and New York State guidance and will advise all participants should there be any changes to COVID-19 policies and procedures for large meetings.
