PROGRAM DESCRIPTION

The **9th Annual Advances in Neurology** is a full-day live CME activity that will provide clinicians with an update on diagnostic processes, cutting-edge technologies, and innovative management strategies in these 8 areas of neurology: headache, neurological complications of COVID, movement disorders, epilepsy, stroke, multiple sclerosis, neuro-oncology, and neuropathy. Through didactic lecture, case presentations, and interactive discussions with expert clinicians, attendees will be better enabled to diagnose and manage patients living with neurologic disorders in 2022 and beyond. *Patient simulators (actors) will interact with faculty to provide an enhanced learning experience for participant.*

EDUCATIONAL OBJECTIVES

After having participated in this CME activity, learners will be able to:

- **Discuss** existing, new, and potential options for migraine treatment and prevention including oral medications, devices, injectables, and interventional therapies.
- **Summarize** the guidelines and criteria for diagnosing and categorizing multiple sclerosis, and discuss a comprehensive management plan.
- **Identify** the symptoms of post-acute sequelae of COVID (PASC) to improve time to recognition and avoid unnecessary diagnostic testing.
- **Describe** the options for acute stroke interventions required to obtain optimal neurological outcomes, and identify central retinal artery occlusion (CRAO) and branch retinal artery occlusion (BRAO).
- **Describe** a strategic treatment plan for Parkinson disease (PD) that addresses the complex needs of patients as they progress thru the advancing stages of the disease, including the use of cannabis as a potential treatment option.
- **Describe** novel diagnostic techniques and classification guidelines for primary brain tumors and brain metastases, and discuss targeted and biologic therapies including tumor treating fields medical device.
- **Explain** strategies for diagnosing and treating epilepsy in children and adolescents, including surgical options.
- **Discuss** the role of high-resolution neuromuscular ultrasound as a cost-effective and painless diagnostic tool for the evaluation of various focal and diffuse peripheral neuropathies.

WHO SHOULD ATTEND?

This symposium is designed for adult and pediatric neurologists as well as other specialists in related fields (neurosurgery, psychiatry, rehabilitation medicine, internal medicine, geriatrics); residents and fellows; and other healthcare professionals involved in the care of patients with neurologic disorders (nurse practitioners, nurses, and physician assistants).

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance

Verification of attendance will be provided to all professionals.

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If

you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

PROGRAM

8:15-8:30am

WELCOME & INTRODUCTION

Mark W. Green, MD, FAAN

8:30-9:15

DEMISTIFYING NEURO-ONCOLOGY: NEW WORKUP AND TREATMENT RECOMMENDATIONS

Rebecca Brown, MD, PhD

9:15-10:00

UTILITY OF DIAGNOSTIC ULTRASOUND IN THE NEUROMUSCULAR LABORATORY

Rory M. C. Abrams, MD

10:00-10:15

BREAK

10:15-11:00

ADVANCES IN THE DIAGNOSIS AND TREATMENT OF STROKE

Maryna Skliut, MD

11:00-11:45

THE SPECTRUM OF NEUROLOGICAL COMPLICATIONS IN POST-ACUTE SEQUELAE OF COVID: APPROACH TO WORKUP AND MANAGEMENT

Allison Navis, MD

11:45-12:00

MORNING PANEL DISCUSSION

Moderator: Mark W. Green, MD, FAAN

12:00-12:45pm

LUNCH

12:45-1:15

WHAT'S TURNING HEADS IN MIGRAINE MANAGEMENT?

Jihan Grant, MD

1:15-1:45

DO WE REALLY UNDERSTAND MEDICATION OVERUSE HEADACHE?

Mark W. Green, MD, FAAN

1:45-2:30

TREATMENT UPDATES IN PARKINSON DISEASE: MEDICAL MARIJUANA AND OTHER NEW PHARMACOTHERAPIES

Katherine Leaver, MD

2:30-2:45

BREAK

2:45-3:30

PEDIATRIC EPILEPSY UPDATE: NEW APPROACHES TO DIAGNOSIS AND TREATMENT, INCLUDING SURGICAL OPTIONS

Maite LaVega-Talbott, MD

3:30-4:15

MULTIPLE SCLEROSIS 2022: UPDATES IN DIAGNOSIS, MANAGEMENT, AND RESEARCH

Michelle T. Fabian, MD

4:15-4:30

AFTERNOON PANEL DISCUSSION

Moderator: Mark W. Green, MD, FAAN

4:30pm

ADJOURN

Registration Fees

Physicians	\$150
Mount Sinai Neurology Alumni	\$ 75
Allied Health Professionals	\$ 75
Residents/Fellows	\$ 25
MSSH Residents/Fellows	Complimentary*

*Complimentary registration for MSSH Residents and Fellows.

Mount Sinai Health System (MSSH) Residents and Fellows must email cme@mssm.edu with a copy of their hospital ID to receive a Complimentary Online Registration Code. MSSH Residency and Fellowship will be verified.

Meeting Location

Icahn School of Medicine at Mount Sinai

Patients with Nervous System Disorders

FACULTY

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI

COURSE DIRECTOR

MARK W. GREEN, MD, FAAN

Emeritus Director of Headache and Pain Medicine
Professor of Neurology, Anesthesiology, and Rehabilitation Medicine
Vice Chair of Neurology for Continuing Professional Development and Alumni Relations

COURSE FACULTY

RORY M. C. ABRAMS, MD

Division of Neuromuscular Medicine
Assistant Professor of Neurology

REBECCA M. BROWN, MD, PHD

Division of Neuro-Oncology
Assistant Professor of Neurology, Medicine (Division of Hematology-Oncology), and Neurosurgery

MICHELLE T. FABIAN, MD

The Corinne Goldsmith Dickinson Center for Multiple Sclerosis at Mount Sinai
Associate Professor of Neurology

JIHAN GRANT, MD

Director, Center for Headache and Facial Pain Center
Assistant Professor of Neurology, Anesthesiology, and Perioperative & Pain Medicine

MAITE LAVEGA-TALBOTT, MD

Mount Sinai Epilepsy Program
Assistant Professor of Neurology, and Pediatrics

KATHERINE LEAVER, MD

Division of Movement Disorders
Assistant Professor of Neurology

ALLISON NAVIS, MD

Division of Neuro-Infectious Diseases
Assistant Professor of Neurology

MARYNA SKLIUT, MD

Mount Sinai Stroke Center
Assistant Professor of Neurology
