VIRTUAL

Advances in Pediatric Food Allergy

Evidence-Based Approaches to Prevention, Diagnosis, and Management

Course Directors
Roxanne C. Oriel, MD
Julie Wang, MD

Sponsored by
Department of Pediatrics

November 20, 2021
PROGRAM DESCRIPTION

Course Description
Our course is designed to provide the practicing clinician, both generalists and allergists, with updates on the prevention, diagnosis, and management of food allergies, including identification and treatment of anaphylaxis and treatments currently under investigation for food allergy. Our goal is to provide a unique, interactive course that elucidates the scientific advances which support current clinical practice guidelines for food allergy.

Who Should Attend
Pediatricians, family practice physicians, internal medicine physicians, and allergy & immunology specialists. Other health professionals include NPs, PAs, RNs, RDs, fellows, residents, and medical students.

Educational Purpose and Objectives
Upon completion of this activity, the participant will be able to:
- Discuss how to accurately diagnose food allergy to reduce unnecessary dietary avoidances.
- Recognize symptoms of anaphylaxis so that treatment can be administered promptly to improve patient outcomes.
- Describe currently available peanut allergy treatment and other emerging treatments for food allergy.
- Identify nutritional issues that may result in food allergic individuals to ensure optimal growth and development occurs.
- Explain how to manage food allergy outside of the home (i.e., in restaurants and schools).
- Describe current approaches to preventing food allergies.
- Appreciate health disparities that exist in food allergy.
- Understand diagnosis and management of food-protein induced enterocolitis.

Accreditation
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance
Verification of attendance will be provided to all professionals.

Register Online: https://mssm.cloud-cme.com/PedsFoodAllergy2021

REGISTRATION FEES
$ 90 Attendees
$ 30 Allied Health (NP, PA, RN, RD) and non-Mount Sinai trainees
$ 15 Mount Sinai students/trainees

CONFERENCE INFORMATION
cme@mssm.edu

REFUND POLICY
All refund and cancellation requests must be emailed to the CME office at cme@mssm.edu by November 5, 2021. Cancellations after this date are not eligible for a refund. An Administrative fee of $50 will be deducted from your refund. No refunds will be issued for registration fees that are equal or less than $50.
