Advances in MOVEMENT DISORDERS
The 7th Annual NYC Movement Disorder CME Symposium

Icahn School of Medicine at Mount Sinai
GOLDWURM AUDITORIUM
1425 Madison Avenue
New York, NY

Sunday, April 8, 2018

Course Director
VICKI SHANKER, MD
Assistant Professor of Neurology
Movement Disorder Center
Mount Sinai Downtown
Neurology Residency Program Director
Mount Sinai Downtown

Co-Director
SUSAN B. BRESSMAN, MD
Professor of Neurology
Mirken Family Chair
Movement Disorder Center
Mount Sinai Downtown

Sponsored by
Division of Movement Disorders
Department of Neurology
Icahn School of Medicine at Mount Sinai

http://mssm.cloud-cme.com
This full-day annual symposium provides clinicians in the tri-state community with a comprehensive update of treatment approaches to the diagnosis and management of movement disorders. A broad spectrum of diseases including Parkinson disease (motor and non-motor symptoms, including cognitive and psychiatric), atypical parkinsonian conditions, tremor, dystonia, and chorea will be addressed. Through video review, didactic lecture, and interactive discussions with expert clinicians, attendees will learn about current medical and cutting-edge diagnostic and management options including local injections of botulinum toxin and deep brain stimulation (DBS).

LEARNING OBJECTIVES

- **Recognize** the clinical presentations (abnormal movements) that characterize movement disorders.
- **Recognize** the clinical syndrome of dystonia, list current treatment approaches including local injections of botulinum toxin and deep brain stimulation (DBS), and discuss genetic testing and its implications.
- **Describe** an appropriate movement disorder candidate for DBS (deep brain stimulation) surgical intervention.
- **Devise** an appropriate management strategy for the patient with advancing Parkinson disease, including management of cognitive, psychiatric, and other non-motor symptoms.
- **Describe** the assessment and management strategy for a patient with chorea.
- **Discuss** the clinical diagnostic criteria for atypical parkinsonian disorders and current treatment options.
- **Differentiate** between the various types of tremor seen in patients with Parkinson disease, essential tremor, and dystonia.

Who Should Attend?
General neurologists, neurosurgeons, primary care physicians, psychiatrists, rehabilitation physicians, neurology nurses, physician assistants, movement disorder fellows, and neurology residents.

Accreditation
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of Attendance
Verification of attendance will be provided to all professionals.

### Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at 212-731-7950.

### Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

ACGME Competencies

This course is designed to meet one or more of the following Accreditation Council of Graduate Medical Education (ACGME) competencies:

- Patient care
- Medical knowledge
- Interpersonal and communication skills

For Conference Information

Email: cme@mssm.edu or call the Office of CME at 212-731-7950

Meeting Location

Icahn School of Medicine at Mount Sinai
1425 Madison Avenue
Goldwurm Auditorium
New York, NY
www.mountsinai.org/about-us/visiting-us/directions
TWO WAYS TO REGISTER:
- Online: http://mssm.cloud-cme.com
- Mail: this form with your check to:
  Icahn School of Medicine at Mount Sinai
  The Page and William Black Post-Graduate School
  One Gustave L. Levy Place, Box 1193
  New York, NY 10029
- Enclosed is my check for $__________ made payable to:
  The Page and William Black Post-Graduate School of Medicine

REGISTRATION FEES
- Physicians $150
- Mount Sinai Neurology Alumni $75
- Allied Health Professionals $75
- Residents/Fellows $25
- MSHS Residents/Fellows Complimentary*

*Complimentary registration for MSHS Residents and Fellows must be done online.
Mount Sinai Health System (MSHS) Residents and Fellows must email cme@mssm.edu with a copy of their hospital ID to receive a Complimentary Online Registration Code. MSHS Residency and Fellowship will be verified.

For Conference Information:
