13th Annual Symposium

Imaging the Left Heart – Conversations between Imagers and Surgeons

Live Internet Activity

MAY 20, 2022

COURSE DIRECTOR

Kenan W.D. Stern, MD

Associate Professor of Pediatrics and Radiology Icahn School of Medicine at Mount Sinai Director, Non-invasive Imaging Children's Heart Center Kravis Children's Hospital New York, NY

CO-DIRECTORS

Jennifer Cohen, MD

Assistant Professor of Pediatrics Icahn School of Medicine at Mount Sinai Division of Pediatric Cardiology Director, Congenital Cardiac Computed Tomography Kravis Children's Hospital New York, NY

David Ezon, MD

Assistant Professor Icahn School of Medicine at Mount Sinai Children's Heart Center Kravis Children's Hospital New York, NY

Jen Lie Yau, BS, RDCS

Echocardiography Laboratory Manager Technical Director The Mount Sinai Hospital Kravis Children's Hospital New York, NY FREE registration if not claiming CME credit!

13th Annual Symposium

Imaging the Left Heart – Conversations between Imagers and Surgeons

PROGRAM DESCRIPTION

This CME activity will focus on advanced imaging of congenital and acquired left heart disease in the fetus, child and adult.

The performance of imaging and communication of imaging findings to surgeons and interventionalists will be highlighted, with special emphasis on practical aspects of imaging, and what is most important and relevant to patient care and outcomes.

Talks by congenital cardiac imagers will be paired with talks by surgeons and interventionalists on lesions encompassing the mitral valve, left ventricular outflow tract, aortic valve, coronary arteries and aorta.

Talks will be supplemented by discussion between the imager and surgeon/interventionalist with audience participation and clinical case presentations..

LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Understand the anatomy and pathophysiology of left heart diseases including congenital mitral valve disease, left ventricular outflow tract disease, coronary artery anomalies, aortic valve disease, coarctation and aortopathies and how imaging can be employed to assess these lesions
- Appropriately interpret and communicate imaging findings to interventionalists, surgeons, and other care team members, in order to optimize understanding of left heart lesions and develop appropriate treatment plans to improve patient outcomes

WHO SHOULD ATTEND

Physicians, trainees, sonographers, nurse practitioners and physician assistants in the fields of congenital cardiology, obstetrics, perinatal medicine and radiology.

REGISTER ONLINE

Registration for this activity is complimentary unless you are claiming CME credit.

If you are claiming CME credit a \$50 fee will apply. Please register accordingly.

AGENDA

9:00 - 9:05 AM Introduction Kenan W.D. Stern, MD Session I: The Mitral Valve Moderators: Erin Paul, MD and Supriya Jain, MD Imaging The Mitral Valve: Pathoanatomical Considerations 9:05 - 9:25Ira A. Parness, MD 9:25 - 9:45Mitral Valve Surgery: What Imaging Can and Can't Tell Me Pedro del Nido, MD 9:45 - 9:55 O and A 9.55 - 10.10Case Presentation 10:10 - 10:20 BREAK/EXHIBITS Session II: The Left Ventricular Outflow Moderators: Miwa K. Geiger, MD and Puneet Bhatla, MD 10.20 - 10.40Imaging The Left Ventricular Outflow: Chordae, Membranes and Muscles, Oh My! Leo Lopez, MD Surgical Approach to Left Ventricular Outflow Repair: Imaging Considerations 10:40 - 11:00Peter Pastuszko, MD 11:00 - 11:10 Q and A 11:10 - 11:25 Case Presentation 11.25 - 11.35BREAK/EXHIBITS Session III: The Aortic Valve Moderators: David Ezon, MD and Simone Jhaveri, MD

11:35 – 11:55 Imaging The Aortic Valve: It's Not As Simple As You Think

David Ezon, MD

11:55AM – 12:15PM Complex Aortic Valve Surgery: How Imaging Helps Me Prepare

Ismail El-Hamamsy, MD

12:15 – 12:25 **Q and A**

Session IV: The Coronary Arteries

Moderators: Joseph Mahgerefteh, MD and Kanwal M. Farooqi, MD

1:20 – 1:40 Advanced Coronary Artery Imaging

Kanwal M. Faroogi, MD

1:40 – 2:00 Coronary Artery Surgery: How Imaging Informs My Repair

Raghav Murthy, MD

2:00 – 2:10 Q and A

Session V: The Aorta

Moderators: Jennifer Cohen, MD and Nadine Choueiter, MD

2:35 – 2:55	Comprehensive Aortic Imaging: From Stem to Stern Jennifer Cohen, MD
2:55 – 3:15	You Want Me To Do What? Catheter-based Aortic Interventions: How the Imager Can Help Me Robert H. Pass, MD
3:15 – 3:25	Q and A
3:25 – 3:40	Case Presentation

3:40 – 3:45 **Wrap-up** *Kenan W.D. Stern, MD*

COURSE DIRECTOR

KENAN W.D. STERN, MD

Associate Professor of Pediatrics and Radiology Icahn School of Medicine at Mount Sinai Director, Non-invasive Imaging Chidren's Heart Center Kravis Children's Hospital New York, NY

COURSE CO-DIRECTORS

JENNIFER COHEN, MD

Assistant Professor of Pediatrics Icahn School of Medicine at Mount Sinai Division of Pediatric Cardiology Director, Congenital Cardiac Computed Tomography Kravis Childrens Hospitai New York, NY

JEN LIE YAU, BS, RDCS

chocardiography Laboratory Manager Technical Director The Mount Sinai Hospital Kravis Children's Hospital New York, NY

DAVID EZON, MD

Assistant Professor Icahn School of Medicine at Mount Sinai Children's Heart Center Kravis Children's Hospital New York, NY

GUEST FACULTY

PUNEET BHATLA, MD

Associate Professor of Pediatrics and Radiology
NYU Langone Health
Director, Pediatric and Congenital Cardiovascular Imaging in the Department of Pediatrics
Hassenfeld Children's Hospital at NYU Langone
New York, NY

NADINE CHOUEITER, MD

Associate Professor Albert Einstein College of Medicine Director of Pediatric Cardiology Non Invasive Imaging Director, John Gutfreund Fetal Heart Program Children's Hospital at Montefiore Bronx, NY

PEDRO DEL NIDO, MD

William E. Ladd Professor of Child Surgery Harvard Medical School Chief, Department of Cardiac Surgery Boston Children's Hospital Boston, MA

KANWAL M. FAROOQI, MD

Assistant Professor of Pediatrics Division of Pediatric Cardiology Director, Cardiac 3D Printing Columbia University Vagelos College of Physicians and Surgeons New York, NY

SUPRIYA S. JAIN, MD, FAAP, FACC, FSCMR

Clinical Associate Professor, Pediatrics and Radiology
Clinical Education Liaison
New York Medical College-School of Medicine
Director, Pediatric and Congenital Cardiac MRI/Advanced Pediatric Cardiovascular Imaging
Maria Fareri Children's Hospital at Westchester Medical Center
Pediatric Cardiology
Boston Children's Health Physicians
Hawthorne, NY

SIMONE JHAVERI, MD

Assistant Professor of Pediatrics Zucker School of Medicine at Hofstra/Northwell Pediatric Cardiologists Cohen Children's Medical Center/Northwell Health New Hyde Park, NY

LEO LOPEZ, MD

Clinical Professor of Pediatrics Stanford University School of Medicine Medical Director of Echocardiography Lucical Packard thildren's Hospital Stanford Palo Alto. CA

IRA A. PARNESS, MD

Professor of Pediatrics Donald and Barbara Zucker School Of Medicine at Hofstra/Northwell Director of Pediatric Echocardiography Cohen's Children's Medical Center/Northwell Health New Hyde Park, NY

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI

ISMAIL EL-HAMAMSY, MD

Randall B. Griepp Professor of Cardiovascular Surgery Icahn School of Medicine at Mount Sinai System Director of Aortic Surgery Mount Sinai Health System New York. NY

MIWA K. GEIGER, MD

Associate Professor, Pediatrics Department of Pediatric Cardiology Icahn School of Medicine at Mount Sinai Director, Fetal Heart Program Kravis Children's Hospital New York NY

JOSEPH MAHGEREFTEH, MD

Associate Professor of Pediatrics Icahn School of Medicine at Mount Sinai Director of Preventive Cardiology Kravis Children's Hospital New York, NY

RAGHAV MURTHY, MD, DABS, FACS, FACC

Assistant Professor Icahn School of Medicine at Mount Sinai Director of Pediatric Cardiac Transplantation The Mount Sinai Hospital New York, NY

ROBERT H. PASS, MD

Richard J. Golinko Endowed Professor of Pediatrics Icahn School of Medicine at Mount Sinai System Chief, Pediatric Cardiology Director, Pediatric Electrophysiology Mount Sinai Health System New York, NY

PETER PASTUSZKO, MD

Chief of Pediatric Cardiac Surgery
Director of Pediatric Cardiovascular Services
Professor, Department of Cardiovascular Surgery
Mount Sinai Health System
New York, NY

ERIN PAUL, MD

Assistant Professor of Pediatrics Icahn School of Medicine at Mount Sinai Division of Pediatric Cardiology Kravis Children's Hospital New York, NY

GENERAL INFORMATION

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Icahn School of Medicine at Mount Sinai and the New York Pediatric Echo Society. Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 5.25 AMA PRA Category 1 CreditsTM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Verification of Attendance

Will be provided to all professionals.

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require special accommodations, call the Office of CME, 212-731-7950.

Cancellation

A \$50 administrative fee will be deducted from all refunds/cancellations issued. All refund and cancellation requests must be emailed to the CME Office at cme@mssm.edu by **Friday, April 29, 2022**. No refunds will be made after this date or for "no-shows." No refunds will be issued for registration fees less than \$50.

Faculty Disclosure

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose all their financial relationships with ineligible companies within the prior 24 months. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place.
