An administrative fee of \$50 will be deducted from your refund. No refunds will be issued for registration fees that are equal or less than \$50.

About the JAFFE FOOD ALLERGY INSTITUTE

The Jaffe Food Allergy Institute is a world-renowned leader in the field of food allergy. We are at the cutting edge of diagnosis, management, and prevention of food allergies and are actively pursuing research to develop treatments and potential cures. At this year's conference, we are celebrating more than 25 years of the Institute by highlighting accomplishments of the past. As in prior years, we will also provide guidance on how best to diagnose, manage, treat, and prevent food allergies.

COURSE OVERVIEW

Attendees will gain valuable insights into emerging therapies and evidence-based management strategies. Key topics include advances in diagnostic tools, anaphylaxis management, oral immunotherapy, early allergen introduction, and psychosocial impacts of food allergies. Interactive workshops and case presentations throughout the plenary sessions will provide practical approaches for improving patient care. The conference also offers a platform for healthcare professionals to network, discuss challenging cases, and share innovations that can enhance patient outcomes and quality of life for those living with food allergies.

EDUCATIONAL OBJECTIVES

Upon completion of this activity, the participant will be able to:

- Appropriately utilize diagnostic tools, including skin prick tests, serum-specific IgE tests, and oral food challenges.
- Develop comprehensive emergency action plans for patients with food allergies.
- Evaluate the efficacy and safety of novel therapies and how they may be integrated into patient care.
- Apply current guidelines on early allergen introduction to prevent food allergy development.
- Describe psychological and social impacts of those living with food allergies.
- Identify socioeconomic and geographic barriers to food allergy care and treatment options.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of **6.50 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all accredited CE educational activities. All individuals in control of content of an activity accredited by ISMMS are expected to disclose all their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships are mitigated and disclosed to learners before the activity takes place. All relevant financial relationships have been mitigated.
