5th NY Masters Course in Comprehensive Endocrine Surgery

Featuring World Renowned Faculty and Live Surgery

Current trends in endocrine surgery, controversies, new technologies, innovations and “scarless” endoscopic surgical techniques will be emphasized.

December 12-13, 2019

HESS CENTER FOR SCIENCE AND MEDICINE
The Bonnie M. Davis, MD and Kenneth L. Davis, MD Auditorium, 2nd floor
New York, New York

COURSE DIRECTORS:

COURSE DESCRIPTION

The purpose of the 5th NY Masters Course in Comprehensive Endocrine Surgery, to be held on December 12-13, 2019 at the Icahn School of Medicine at Mount Sinai (ISMMS) in New York and sponsored by the Department of Surgery at ISMMS, is to conduct an intensive review of key endocrinology and endocrine surgery topics in a highly interactive setting that will maximize involvement of each participant.

The sessions will cover intensive reviews of key endocrinology and endocrine surgery topics. In addition to basic and controversial topics in thyroid, parathyroid, adrenal, and pancreatic disorders, the sessions will focus on familial and neuroendocrine topics that are relevant to clinicians with an interest in endocrinology and endocrine surgery. Current trends in endocrinology and techniques in minimally invasive surgery will be emphasized. At the end of each session a robust case presentation and panel discussion will take place that will allow for a high degree of dialogue between audience and faculty.

OBJECTIVES

Thyroid and Parathyroid Disorders
1. Discuss current guidelines for treating thyroid cancer including an in-depth discussion of 2015 American Thyroid Association guidelines
2. Recognize trends in the diagnosis and management of hyperparathyroidism
3. Describe novel and minimally invasive approaches to the thyroid and parathyroid glands
4. Demonstrate techniques in minimally invasive surgery through live surgery

Adrenal and Pancreas Disorders
1. Examine how to evaluate incidentally detected pathology
2. Describe the management of functioning tumors to improve the outcomes of surgery
3. Discuss pearls for improving outcome and minimizing surgical complications

Familial and Neuroendocrine Conditions
1. Improve the understanding of the link between cervical and abdominal endocrine pathology in familial conditions
2. Discuss and evaluate 2015 American Thyroid Association (ATA) guidelines for the management of medullary carcinoma

TARGET AUDIENCE

General Surgeons, Endocrine Surgeons, Head and Neck Surgeons, Endocrinologists, Otolaryngologists, Primary Care Physicians, Residents, Fellows, allied health professionals, patients and family members interested in Multiple Endocrine Neoplasia Syndrome.

REGISTRATION FEE
■ $600 Physician Early-Bird by Oct 31
■ $700 Physician after Nov 1
■ $250 Allied Health Professionals
■ $100 Residents, Fellows, Students

COURSE LOCATION
HESS CENTER FOR SCIENCE AND MEDICINE
The Bonnie M. Davis, MD and Kenneth L. Davis, MD Auditorium, 2nd floor
1470 Madison Avenue (Between 101st and 102nd Street)
New York, New York

DIRECTIONS/PARKING
Mount Sinai Hospital  icahn.mssm.edu/about/visiting

ACCOMMODATIONS
A limited number of discounted sleeping rooms have been reserved. Please contact
Denise Newman: email: dnew229@aol.com, text: 347-236-7181 phone: 718-835-4911 to make your reservation.

CREDIT DESIGNATION
The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 14.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACCREDITATION
The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

VERIFICATION OF ATTENDANCE
Verification of attendance will be provided to all professionals.

SPECIAL NEEDS
Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require special accommodations, call the Office of CME, 212-731-7950.

FACULTY DISCLOSURE
It is the policy of Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.
