Myeloid Malignancy Workshop

Program Description

The Myeloid Malignancy Workshop will be a one day hybrid event focused on the science and medicine of myelodysplastic syndromes, myeloproliferative neoplasms, and acute myeloid leukemia. The workshop will include internationally recognized clinical and laboratory experts in the field that will provide focused talks intended to highlight the cutting edge science and recent evidence based advances in clinical care of myeloid malignancies.

Educational Objectives

At the conclusion of this activity, participants will be able to:

- Understand the molecular and immunologic vulnerabilities driving drug development for MDS, MPN and AML
- Select the appropriate evidence based therapies for patients with myeloid malignancies
- Recognize the remaining unmet needs in treating myeloid malignancies.
- Discuss strategies to incorporate disease-modifying therapies and strive for deeper responses in patients with myeloproliferative neoplasms
- Discuss the emerging results of clinical trials that are investigating therapies in AML/MDS
- Identify treatment goals for systemic mastocytosis that incorporate next generation kit inhibitors.

Target Audience

The target audience for this CME-accredited event will include clinical and laboratory based physicians, trainees, laboratory investigators, pharmacists, nurses, nurse practitioners, physician assistants, and patients.

Accreditation

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this hybrid (live and remote) activity for a maximum of 7.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants

NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME.

Nursing Credit: The American Nurses Credentialing Center (ANCC) will accept 1.0 *AMA PRA Category 1 Credit*[™] as equal to 1.0 ANCC contact hour. Nurses should inquire with their specialty organizations and professional institutions as to their acceptance of *AMA PRA Category 1 Credits*[™].

Verification of Attendance:

Verification of attendance will be provided to all professionals.

Special Needs

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact the Page and William Black Post-Graduate School of Medicine at cme@mssm.edu.

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

AGENDA

07:30am – 08:15am	Registration & Continental Breakfast	
08:15am – 08:30am	Introduction	John Mascarenhas, MD Marina Kremyanskaya, MD, PhD Ruben A. Mesa, MD, FACP
08:30am – 09:10am	Splicing Leukemia	Omar Abdel-Wahab MD
09:10am – 09:50am	Targeting mCALR in MPNs	Ann Mullally, MD
09:50am – 10:30am	State of the Art Management of Systemic Mastocytosis	Daniel J. DeAngelo, MD, PhD
10:30am – 10:45am	Break	
10:45am – 11:25am	Role of the Tumor Microenvironment in Leukemia	Iannis Aifantis, PhD
11:25am – 12:05pm	Integrating Targeted Therapies in Acute Myeloid Leukemia	Hagop M. Kantarjian, MD
12:05pm – 01:30pm	MDS Lunch Symposium:: Emerging Therapies and Clinical Niches	Lewis R. Silverman, MD Amy Dezern, MD, Rami Komrokji, MD
01:30pm – 02:10pm	BPDCN Current and Future Directions	Naveen Pemmaraju, MD
02:10pm – 02:50pm	Targeting RON Kinase in Myeloid Malignancy	Kira Gritsman, MD, PhD
02:50pm – 03:05pm	Break	
03:05pm – 03:45pm	DUSP6-RSK1 Pathway in Myeloid Malignancies	Stephen Oh, MD, PhD
03:45pm – 04:25pm	Hematopoietic Stem Cells in Space	Catriona Jamieson, MD, PhD
04:25pm – 04:55pm	Trainee Awards Talks	Ronald H. Hoffman, MD Ruben A. Mesa, MD
04:55pm – 05:00pm	Conclusion	John Mascarenhas, MD Marina Kremayanskaya, MD, PhD Ruben A. Mesa, MD, FACP

FACULTY

COURSE DIRECTORS

JOHN MASCARENHAS, MD

Professor of Medicine
Director, Center of Excellence in Blood Cancers and Myeloid Disorders
Tisch Cancer Institute
Icahn School of Medicine at Mount Sinai
New York, NY

RUBEN A. MESA, MD, FACP

President
Levine Cancer Institute & Enterprise Cancer Service Line
Executive Director
Atrium Health Wake Forest Baptist Comprehensive Cancer Center
Enterprise Senior Vice President
Atrium Health
Vice Dean for Cancer Programs
Wake Forest University School of Medicine
Professor of Medicine
Wake Forest University School of Medicine
Winston-Salem, NC

MARINA KREMYANSKAYA, MD, PhD

Associate Professor
Tisch Cancer Institute
Icahn School of Medicine at Mount Sinai
New York, NY

GUEST FACULTY

OMAR ABDEL-WAHAB, MD

Edward P. Evans Chair in MDS
Chair, Molecular Pharmacology Program,
Sloan Kettering Institute
Memorial Sloan Kettering Cancer Center
New York, NY

IANNIS AIFANTIS, PhD

Hermann M. Biggs Professor,
Chair, Department of Pathology
NYU Grossman School of Medicine
New York, NY

DANIEL J. DEANGELO, MD, PhD

Professor of Medicine
Harvard Medical School
Chief of the Division of Leukemia
Dana-Farber Cancer Institute
Boston, MA

AMY E. DEZERN, MD, MHS

Professor of Oncology and Medicine
Director, MDS and Bone Marrow Failure Center
Sidney Kimmel Comprehensive Cancer Center at Johns Hopkins
The Johns Hopkins University School of Medicine OH
Baltimore, MD

KIRA GRITSMAN, MD, PhD

Associate Professor
Department of Medical Oncology
Department of Cell Biology
Co-Leader, Stem Cell and Cancer Biology Program
Montefiore Einstein Comprehensive Cancer Center
Albert Einstein College of Medicine
Bronx, NY

CATRIONA JAMIESON, MD, PhD

Director, Sanford Stem Cell Institute
Director, CIRM UC San Diego Alpha Stem Cell Clinic
Professor of Medicine
Chief, Division of Regenerative Medicine
Koman Family Presidential Endowed Chair in Cancer Research
La Jolla, CA

HAGOP M. KANTARJIAN, PhD

Professor and Chairman, Department of Leukemia
Samsung Distinguished University Chair in Cancer Medicine
MD Anderson Cancer Center
University of Texas
Houston, TX

RAMI KOMROKJI, MD

Senior member and Professor of Oncologic Sciences
Vice chair-Malignant Hematology department
Moffitt Cancer Center
Tampa, FL

ANN MULLALLY, MD

Associate Professor of Medicine
Harvard Medical School
Physician-Scientist
Dana-Farber/Brigham and Women's Cancer Center
Boston, MA

NAVEEN PEMMARAJU, MD

Professor, Department of Leukemia
Executive Director, Cancer Medicine for MDACC
Cancer Network
Director, Blastic Plasmacytoid Dendritic Cell Neoplasm
(BPDCL) Program
University of Texas MD Anderson Cancer Center
Houston, TX

STEPHEN OH, MD, PhD

Associate Professor of Medicine
Co-Chief, Division of Hematology
Washington University School of Medicine
St. Louis, MO

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI FACULTY

RONALD HOFFMAN, MD

Albert A. and Vera G. List Professor of Medicine
Director, Myeloproliferative Disorders Research Program
Tisch Cancer Institute
Icahn School of Medicine at Mount Sinai
New York, NY

LEWIS R. SILVERMAN, MD

Associate Professor of Medicine
The Tisch Cancer Institute

Friday, March 8, 2024

7:30am - 5:00pm (Breakfast Buffet 7:30am)

Davis Auditorium
1470 Madison Avenue
New York, NY 10029

REGISTRATION

	In-Person	Virtual Attendance
Physicians	\$100	\$ 75
Lab Based	\$ 75	\$ 50
Industry	\$150	\$125

Residents/Fellows/Trainee: Complimentary (In-Person Attendance Only)

Nurse/NP/PA/Pharmacy: Complimentary (In-Person Attendance Only)

***Complimentary registration for residents, fellows, nurses, nurse practitioners, physician assistants, and pharmacists for in person attendance. Please email cme@mssm.edu with a copy of your hospital ID to receive a Complimentary Online Registration Code.*

HOW TO REGISTER

Online: <https://mssm.cloud-cme.com/MW2024>

Cancellation Policy: All refund and cancellation requests must be emailed to the CME office at cme@mssm.edu by February 8, 2024. Cancellations after this date are not eligible for a refund. An administrative fee of \$50 will be deducted from your refund. No refunds will be issued for registration fees that are equal to or less than \$50.

For Conference Information, email cme@mssm.edu.

Meeting Location

Davis Auditorium, 1470 Madison Avenue, New York, NY 10029

Directions and/or Parking

<http://icahn.mssm.edu/about/visiting> (Discounted parking is available at Mount Sinai.)

Accommodations Information

If you would like assistance with hotel arrangements, please contact our Housing Manager, Denise Newman by email: dnew229@aol.com or call 718-835-4911.

The Myeloid Malignancy Workshop committee encourages you to submit applications for both the Dr. Ronald Hoffman Translational Research Award and the Dr. Ruben Mesa Young Clinical Investigator Award. Your submissions will undergo assessment by a panel of five esteemed experts in their respective domains. To ensure impartial evaluation, reviewers will conduct assessments without access to applicants' identifying information.

Award Details:

One recipient will be chosen for each award by the review committee, with each winner receiving a \$25,000 grant to further their research. Additionally, we will extend invitations to each winner to deliver a 5-minute presentation showcasing their research at the Myeloid Malignancy Workshop at Mount Sinai on March 8th, 2024.

For more details regarding eligibility and application deadlines please follow the application link:
