

2022 New York Regional Association Of Medical Educators Meeting

Navigating GME In An Endemic World: Using Lessons Learned To Form A Better Tomorrow

Mount Sinai Morningside

1111 Amsterdam Avenue
P4 Auditorium
New York, NY 10025

Friday, September 9, 2022

Learning Activity Overview

The NY-RAIME 2022 annual meeting will provide educational information and faculty development/training in the area of medical education/residency focused on the transition of medical education in the wake of COVID-19 transitioning to an endemic. This will include updates from the American College of Physicians NY Chapter and the Greater New York Hospital Association, a presentation from NRMP on the proposed 2-tiered match system and workshops on SDOH strategies and the implications of USMLE transition to Pass/Fail status.

Target Audience

Internal Medicine Program Directors
Associate Program Directors
Clerkship Directors
NY-region Medical Educators and Administrators

Learning Objectives (by the end of this activity, the learner should be able to):

- Describe recent policy updates from NYACP and GNYHA
- Explain interview implications of transitioning to USMLE Pass/Fail
- Explain the NRMP's proposed 2-tiered match system
- Evaluate how different institutions are addressing SDOH and incorporation into their training programs

Workshop Schedule

Friday, September 9
10:00am - 4:00pm

Registration

<https://mssm.cloud-cme.com/RAIME22>

\$85.00 – Individual
\$25.00 – Resident/Fellow

Faculty Disclosure

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The Icahn School of Medicine at Mount Sinai designates this internet live activity for a maximum of 5.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

New York Regional Association of Internal Medicine Educators (NY-RAIME) Annual Meeting Agenda

10:00-10:05: Welcome and Opening Remarks

Jared Honigman DO, NY-RAIME President 2022-2023

10:05-11:05 Annual Update by the New York American College of Physicians Chapter

Presentation by: Loretta Ponesse, Executive Director, NYACP

Includes update on Legislative changes/new proposals affecting residency education, discussion on advocacy by organization on topics related to NY physicians and our practice, NYS budget related to residency/physician work, educational efforts on their part open to us as physicians and curriculum geared towards trainees.

11:05-12:05: Annual Update by the Greater New York Hospital Association (GNYHA)

Presentation by: Tim Johnson, Senior Vice President at the Greater New York Hospital Association (GNYHA) and Executive Director of the GNYHA Foundation

Includes update on their efforts over the last year in lobbying/advocacy related to supporting residency education in hospitals and related to legislative topics, review of federal GME updates, physician workforce updates, and their faculty development programming and related educational efforts open to us as physicians.

12:05-12:55: Lunch

1:00-2:00: Panel #1- Ramifications of USMLE PASS/FAIL on the interview screening process

Panelists: Ellen Pearlman MD, Sreekhala Raghavan MD, Salvatore Cilmi MD, Conrad Fischer MD, Tara Cunningham, MD

Discuss how the change of USMLE step 1 to pass/fail is changing how residency programs screen applicants as well as how medical schools are coaching students. The panel will be represented by both residency programs as well as medical schools to have a holistic conversation on best practices moving forward.

2:00-2:40: Presentation of NRMP's proposed 2-tiered match system with Q&A.

Presentation by Donna L. Lamb, President and Chief Executive Officer NRMP

2:40-2:50: Break

2:50PM-3:50 Panel #2: SDOH education and implementation within internal medicine residency programs.

Panelists: Iman Hassan MD, Tamara Goldberg MD, Rebecca Dougherty MD

Discuss current educational programs geared towards SDOH in New York Internal Medicine Residency Programs as well as introduce strategies taken to address various components of SDOH

3:50-4:00: Closing remarks

Jared Honigman DO, NY-RAIME President 2022-2023
