22nd Annual Symposium

Pediatric Endocrinology and Diabetes

Monday, November 13, 2023 • 8:30am to 12:45pm EST

In Person Activity

PROGRAM DESCRIPTION

In light of the diabetes epidemic and the high frequency of pediatric chronic diseases and growth disorders, the Mount Sinai Division of Pediatric Endocrinology and Diabetes seeks to empower a broad array of clinicians to provide the highest level of care of people with diabetes, disorders of growth, and endocrine disorders. Participants will learn about pathophysiology, treatment goals and treatment methods for diabetes, endocrine disorders and growth disorders and will emerge more confident dealing with diabetes and endocrine challenges.

TARGET AUDIENCE

Pediatricians, family practitioners, scientists, nurse practitioners, physician assistants, diabetes educators, nutritionists, dieticians, social workers, residents, students and others involved in the care of young people with diabetes and growth disorders.

GOALS AND OBJECTIVES

At the conclusion of the conference, the participants will be able to:

- Explore current trends in Type 1 diabetes presentation and management across the US
- Review current standards of therapy for congenital adrenal hyperplasia and explore new and investigational therapies
- Define the current definition for abnormal growth in height and in weight and suggest an algorithm for investigation of abnormal growth based on current recommendations

AGENDA

8:00am Registration, Breakfast and Exhibits

9:00am Welcome to 22nd Anniversary Symposium

Director: Robert Rapaport, MD

9:15am State of Type 1 Diabetes in the US:

Update from the T1D Exchange

Lecturer: Osagie Ebekozien MD, MPH, CPHQ

10:00am Congenital Adrenal Hyperplasia: A Disorder with Systemic

Ramification and in Need of a New Treatment Paradigm

Lecturer: Mitchell Geffner, MD

Break with Exhibits 10:45am

11:00am Diagnosis and Treatment of Abnormal Growth:

Recommendations and Novel Solutions

Lecturer: Cheri Deal, PhD, MD, FRCPC, FAAP

Patient Presentations and Panel Discussion 11:50pm

Moderator: Mabel Yau, MD

12:30pm Adjourn

COURSE DIRECTOR

Robert Rapaport, MD

Emma Sullivan Professor of Pediatric **Endocrinology and Diabetes** Icahn School of Medicine at Mount Sinai Chief, Emeritus, Division of Pediatric **Endocrinology and Diabetes** Kravis Children's Hospital at Mount Sinai

COURSE CO-DIRECTOR

Mabel Yau, MD

Assistant Clinical Professor Pediatric Endocrinology and Diabetes Icahn School of Medicine at Mount Sinai

GUEST FACULTY

Cheri Deal, PhD, MD, FRCPC, FAAP

Emeritus Professor, Université de Montréal Pediatric Endocrinologist and Associate Member Research Center, CHU Ste-Justine

Osagie Ebekozien, MD, MPH, CPHQ

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 3.0 AMA PRA Category 1 CreditsTM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Verification of attendance will be provided to all professionals.

SPECIAL NEEDS

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations please contact The Page and William Black Post-Graduate School at cme@mssm.edu.

FACULTY DISCLOSURE

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussion of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
