Sinai**

COURSE DESCRIPTION

This is a one day course of panel discussions aimed at primary care practitioners, nurse practitioners, and physician assistants to provide readily available, timely, and standardized training in the diagnosis and management of rheumatic diseases while entering into collaborative practice with rheumatologists.

WHO SHOULD ATTEND?

Rheumatologists, primary care physicians, family practice, internal medicine, nurse practitioners and physician assistants.

LEARNING OBJECTIVES

At the conclusion of this CME activity, participants should be able to:

- Diagnose rheumatologic diseases earlier and more confidently.
- Examine a joint and perform a musculoskeletal exam.
- Determine the use and limitations of laboratory testing.
- Specify the clinical features of rheumatoid arthritis, systemic lupus, giant cell arteritis, polymyalgia rheumatica, osteoarthritis and crystal arthritis.

COURSE LOCATION

Mount Sinai West

1000 Tenth Avenue, 2nd Floor
New York, NY 10019

DIRECTIONS/PARKING

Mount Sinai West is located at 1000 Tenth Avenue at 58th Street in Manhattan. Below, you can find directions to the hospital, whether you are traveling by car, bus, or subway.

By Car

Take the West Side Highway (Henry Hudson Parkway) to the 56th Street exit. Head eastbound on West 56th Street to 10th Avenue. Turn left (northbound) on 10th Avenue to Mount Sinai West's main lobby entrance (east side of 10th Avenue, between West 58th and West 59th Streets). Mount Sinai West provides, for a moderate fee, curbside valet parking service on weekdays, during the hours of 6:00 am to 9:00 pm at its main entrance on 10th Avenue between 58th and 59th Streets. The vehicle is stored in the hospital garage on West 59th Street between 10th and 11th Avenues, and is returned to the hospital entrance at the scheduled departure time indicated by the visitor.

Other public parking garages are located on the north side of West 59th Street between 9th and 10th Avenues, on West 58th Street (one-way, Eastbound) and on West 60th Street (one-way, Westbound) between Columbus Circle and 9th Avenue, and on West 59th Street (one-way, westbound) between 10th and 11th Avenues.

By Bus

M11 (Uptown) to 10th Avenue and West 59th Street. M11 (Downtown) to 9th Avenue and West 59th Street. M57 (Crosstown) to 10th Avenue and West 57th Street. M104 (Broadway Line) to Columbus Circle (Broadway between West 58th Street and West 60th Street).

By Subway

Take an A, B, C, D, #1 train to Columbus Circle - 59th Street at the intersection of Broadway and 8th Avenue.

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of 7.00 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE

Will be provided to all professionals.

SPECIAL NEEDS

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you would like to attend this conference and require any special needs or accommodations, please contact the Page and William Black Post-Graduate School at 212.731.7950.

FACULTY DISCLOSURE

It is the policy of Icahn School of Medicine at Mount Sinai (ISMMS) to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-accredited educational activities. All faculty participating in the planning or implementation of an activity accredited by ISMMS are expected to disclose all of their financial relationships with ineligible companies existing within the prior 24 months. Relevant financial relationships will be mitigated and disclosed to learners before the activity takes place. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
