Sinai**

# TREAT Live 2020

## OVERVIEW

The purpose of this internet live course will be to educate healthcare providers who care for patients with vascular lesions, highlighting important developments in the management and treatment of these patients using a transradial arterial access approach. Participants will understand, and when appropriate, integrate these developments into their clinical practices.

The TREAT internet live webcast will offer live cases and case management discussions with a panel of expert international faculty. Concepts regarding patient selection, best technical approaches, potential pitfalls and equipment selection will be reviewed.

## OBJECTIVES

**After completion of this course, you will be able to:**

- Compare and contrast equipment and procedural techniques for performing transradial vs. transfemoral endovascular therapies.
- Demonstrate the role of transradial access for complex embolotherapy and review the techniques necessary for successful therapy.
- Review the role of transradial access for visceral interventions.
- Recognize the challenges and pitfalls associated with transradial interventions.

## TARGET AUDIENCE

Interventional Radiologists, Vascular Surgeons, Physician Extenders, and other allied health professionals involved in the care of patients undergoing endovascular procedures.

## ACCREDITATION STATEMENT

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live educational activity for a maximum of **3.50 AMA PRA Category 1 Credit(s)<sup>™</sup>**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## CONFERENCE INFORMATION

Please call the Office of CME 212.731.7950 or email [cme@mssm.edu](mailto:cme@mssm.edu)

## REGISTRATION FEES

Fee includes one access code per person to the live webcast, virtual session. You will receive a confirmation email with your log-in instructions.

	Early-Bird Before 5/30	After 5/30
Physician .....	\$250	\$395
Industry, Other .....	\$100	\$150
Allied Health Professional .....	\$ 70	\$100
Allied Health Professional (MSHS) .....	\$ 35	\$ 50
Residents, Fellows .....	\$ 20	\$ 25
*Medical Students.....	*see below	

Early-bird discount is available until May 30, 2020.  
\*Medical Students must register by May 30, 2020 and email [cme@mssm.edu](mailto:cme@mssm.edu) with a copy of their hospital ID to receive a Complimentary Online Registration Code.

## CANCELLATION POLICY

All refund and cancellation requests must be emailed to the CME office at [cme@mssm.edu](mailto:cme@mssm.edu) by June 15, 2020. Cancellations after this date are not eligible for a refund. An administrative fee of \$50 will be deducted from your refund. No refunds will be issued for registration fees that are equal or less than \$50. For security purposes, credit card payment cannot be accepted by mail or fax. Please visit <https://mssm.cloud-cme.com> to register and pay by credit card.

## SPECIAL NEEDS

The Icahn School of Medicine at Mount Sinai is in full compliance with provisions of the Americans with Disabilities Act (ADA) and is accessible for individuals with special needs. If you require any special accommodations, please contact The Page and William Black Post-Graduate School at 212.731.7950.

# TREAT Live 2020

## PROGRAM ■ TUESDAY, JUNE 23, 2020

Duration Time: 3 ½ hours

### LIVE CASES: INTERNET LIVE COURSE

#### COMPLEX PELVIC INTERVENTION

Moderator: Aaron M. Fischman, MD, FSIR, FCIRSE

**Deep pelvic embolization including aneurysms, prostate, and uterine artery embolizations and iliac artery interventions.**

9:00-10:00 **Live Cases**

10:00-10:15 **Break**

#### VISCERAL AND PERIPHERAL INTERVENTION

Moderator: Rahul S. Patel, MD, FSIR

**Visceral aneurysms, bleeding and trauma, renal interventions including angioplasty and stenting as well as locoregional liver directed therapies.**

11:00-12:15 pm **Live Cases**

12:15-1:15 **Break**

#### PUSHING THE LIMIT WITH TR - FUTURE THERAPIES

Moderator: Robert A. Lookstein, MD, MHCDL, FSIR, FAHA, FSVM

**Peripheral vascular disease including infrainguinal arterial interventions: atherectomy, angioplasty and stenting, bariatric embolization, geniculate artery embolization, neurointervention including stroke thrombectomy, dialysis interventions and others.**

1:45-2:45 **Live Cases**

2:45-3:00 **Panel/Closing Remarks**  
All Faculty

#### MEDIA/HARDWARE

TREAT internet live cases, tools and technical assistance are designed to be fully compatible through multiple platforms: computer, tablet, smartphone. Full HD video is available for connection over 4mb download speed, also available on the JiggleMed. 

#### COPYRIGHT

All rights reserved by the Icahn School of Medicine at Mount Sinai. No part of this activity may be used or reproduced in any manner whatsoever without written permission.

#### COURSE MEDIA & INSTRUCTIONS FOR OBTAINING CONTINUING EDUCATION CREDITS

This activity is comprised of interactive learning components, video and audio. The learner will be expected to complete various interactive processes such as Q & A. To successfully earn credit, participants must watch the live streaming, engage in live assessment, complete the course evaluation and claim credit commensurate with the number of hours of participation in this activity.

## PLANNING COMMITTEE

**Aaron M. Fischman, MD, FSIR, FCIRSE**

*Course Director, Associate Professor of Radiology and Surgery*

**Rahul S. Patel, MD, FSIR**

*Course Director, Assistant Professor of Radiology and Surgery*

**Robert A. Lookstein, MD, MHCDL, FSIR, FAHA, FSVM**

*Professor of Radiology and Surgery*

## GUEST FACULTY

**Sandeep Bagla, MD**, Chair of Clinical Research & Interventional Radiology, Vascular Institute of Virginia, Woodbridge, VA

**Christoph A. Binkert, MD**, Director and Chairman, Institute of Radiology and Nuclear Medicine, Kantonsspital, Winterthur, Switzerland

**Theresa M. Caridi, MD, FSIR**, Assistant Professor of Radiology at MedStar, Georgetown University Hospital, Washington, DC

**Francisco Cèsar Carnevale, MD, PhD, FSIR**, Director of the Vascular and Interventional Radiology Department, University of Sao Paulo Medical School and Sirio Libanes Hospital, São Paulo, Brazil

**Sabeen Dhand, MD**, Interventional Radiologist, Lambert Radiology Medical Group, PIH Health Hospital, Whittier, CA

**Marcelo S. Guimaraes, MD, FSIR**, Professor of Radiology and Surgery, Medical University of South Carolina, Charleston, SC

**Ari J. Isaacson, MD**, Assistant Professor of Radiology, University of North Carolina School of Medicine, Chapel Hill, NC

**Darren Klass, MD, PhD, MRCS, FRCR, FRCPC**, Clinical Assistant Professor, Interventional Radiology, University of British Columbia, Vancouver, BC

**Maureen P. Kohi, MD, FSIR**, Associate Professor of Clinical Radiology, Chief, Interventional Radiology, University of California, San Francisco, CA

**Janice Newsome, MD, FSIR**, Assistant Professor of Radiology, Division Director of Interventional Radiology and Image Guided Medicine, Emory University School of Medicine, Atlanta, GA

**Brandon P. Olivieri, MD**, Vascular & Interventional Radiologist, Mount Sinai Medical Center, Associate Clinical Professor, FIU Herbert Wertheim College of Medicine, Miami, Florida

**Constantino S. Peña, MD, FSIR**, Medical Director of Vascular Imaging, Miami Cardiac & Vascular Institute, Miami, FL

**Keith Pereira, MD**, Assistant Professor, Division of Vascular Interventional Radiology, Saint Louis University Hospital, St. Louis, MO

**Uei Pua, MBBS, FRCR, MMed, FAMS, FCIRSE, FSIR**, Associate Professor, Tan Tock Seng Hospital, Singapore

**Wael Saad, MD, MB, BCh, FSIR**, Professor, Radiology Vascular and Interventional Radiology, Michigan Medicine, University of Michigan, Ann Arbor, MI

**Nora Elizabeth Tabori, MD**, Assistant Professor of Radiology, Georgetown University, Washington, D.C

**Bret N. Wiechmann, MD, FSIR, FAHA, FSVM**, Vascular & Interventional Physicians, Gainesville, FL

## ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI FACULTY

**Vivian L. Bishay, MD**, Assistant Professor of Radiology and Surgery

**Robert C. Blue, MD**, Assistant Professor, Interventional Radiology

**Reade De Leacy, MD**, Assistant Professor of Radiology and Neurosurgery

**Peter L. Faries, MD, FACS**, Professor of Surgery and Radiology

**Daniel K. Han, MD**, Assistant Professor of Surgery and Radiology

**Edward Kim, MD, FSIR**, Associate Professor of Radiology and Surgery

**Nancy Lamberson, RN, MSN**, Associate Director of Nursing, Radiology

**F. Scott Nowakowski, MD, FSIR**, Associate Professor of Radiology and Surgery

**Mona Ranade, MD**, Assistant Professor of Radiology and Surgery

**Art Rastinehad, DO**, Associate Professor of Urology and Radiology

**Dawn Scasserra, RN**, Clinical Nurse Manager, Interventional Radiology

**Rami O. Tadros, MD**, Associate Professor of Surgery and Radiology

**Ageliki G. Vouyouka, MD**, Associate Professor of Surgery and Radiology

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
