FACULTY DISCLOSURE:

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-provided educational activities. All faculty participating in the planning or implementation of a provided activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course materials.

COURSE DESCRIPTION

This program is designed to provide a targeted overview of the initial triage and management of the injured patient for physicians and other allied health professionals involved in the care of the trauma patient.

EDUCATIONAL OBJECTIVES

At the conclusion of this activity, participants will be able to:

- **Review** management of the injured patient
- **Recognize** injury patterns suggestive of abuse and identify useful interventions for survivors of abuse
- **Describe** the evolution of fluid resuscitation in trauma patients and current best practices
- **List** strategies for protecting kids from traumatic injury
- **Define** strategies for controlling the innate chaos of the trauma bay

TARGET AUDIENCE

This conference is designed for surgeons, emergency medicine physicians, intensivists, nurse practitioners, physician assistants, nurses, house staff, medical staff and first responders.

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for the maximum number for CME Credit 6 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE

Verification of attendance will be provided to all professionals.
